

Mitogenic Response of Naive Spleen Cells from Balb/c
Mice to Various Batches of Technospheres®

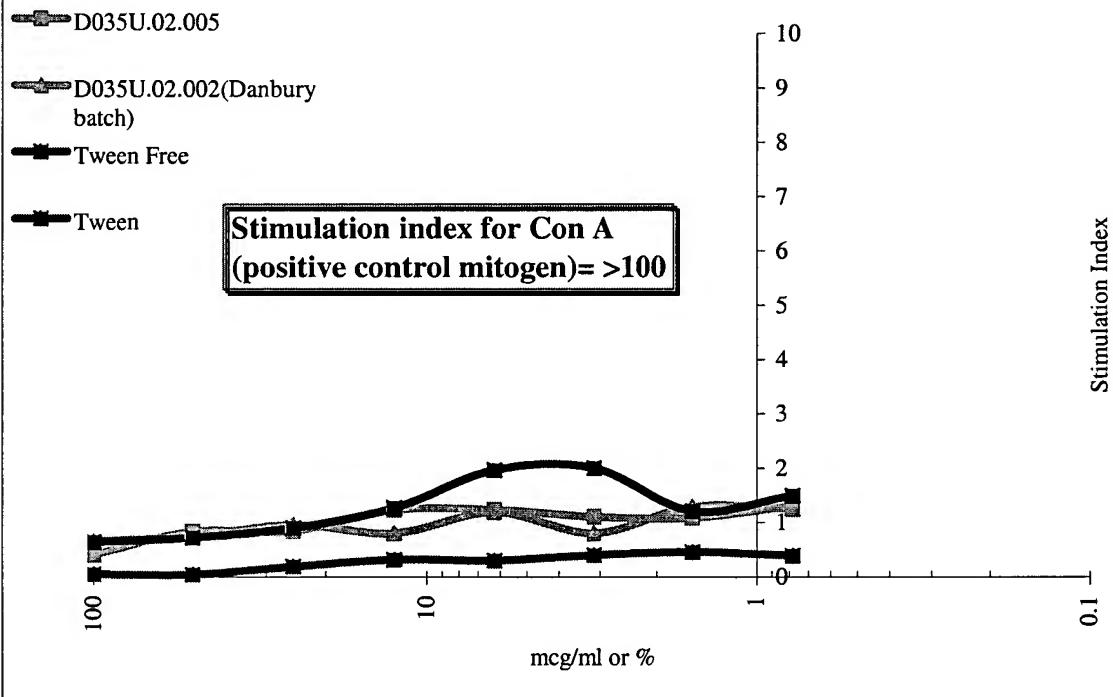

Figure 1a

FDKP Technospheres (a representative batch) do not stimulate the production of inflammatory cytokines by naive splenic cells (Balb/c mice) after 5 days of in vitro incubation

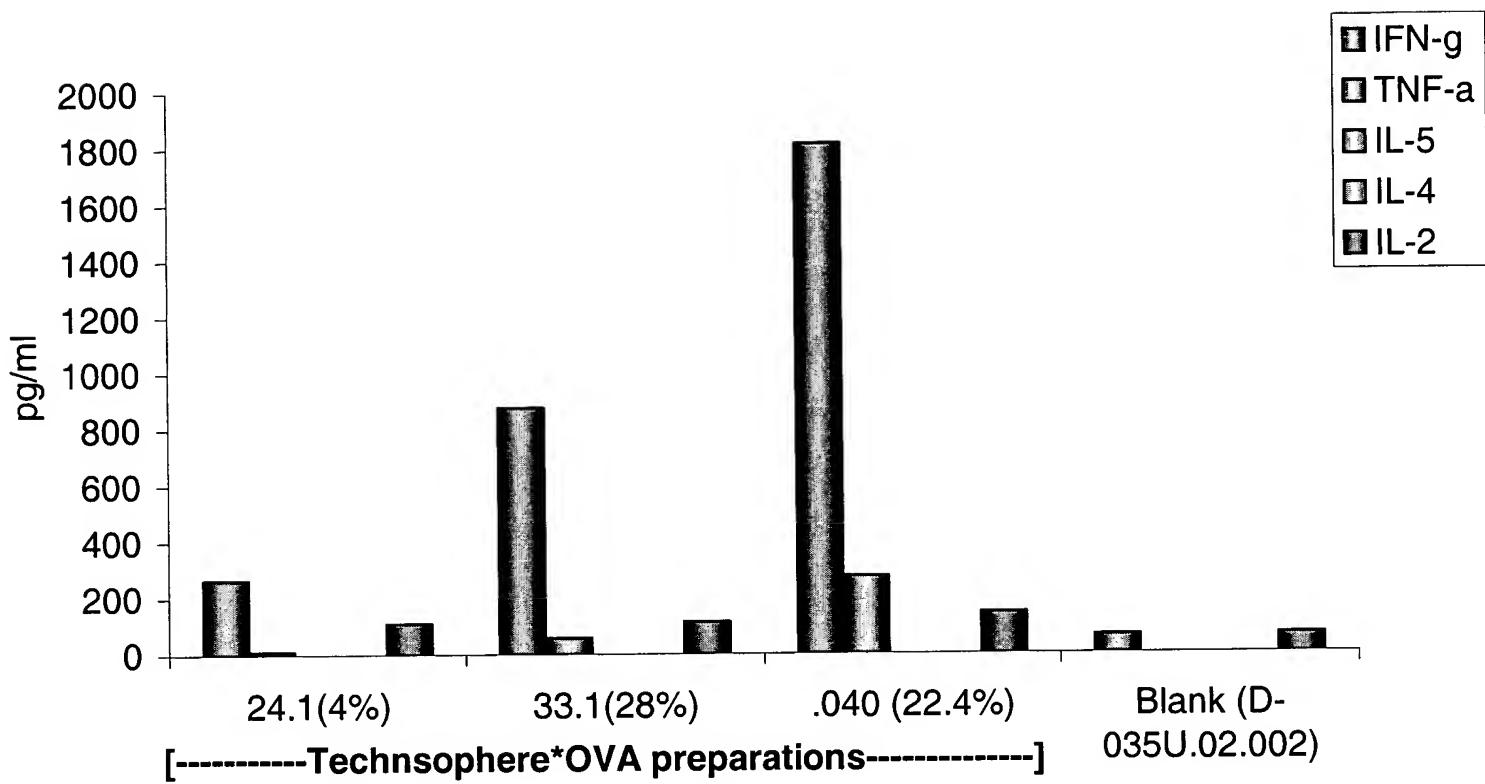

Figure 1b

Figure 2a

FDKP Technospheres (various batches) do not stimulate proliferation of HuPBL after 5 days of in vitro incubation

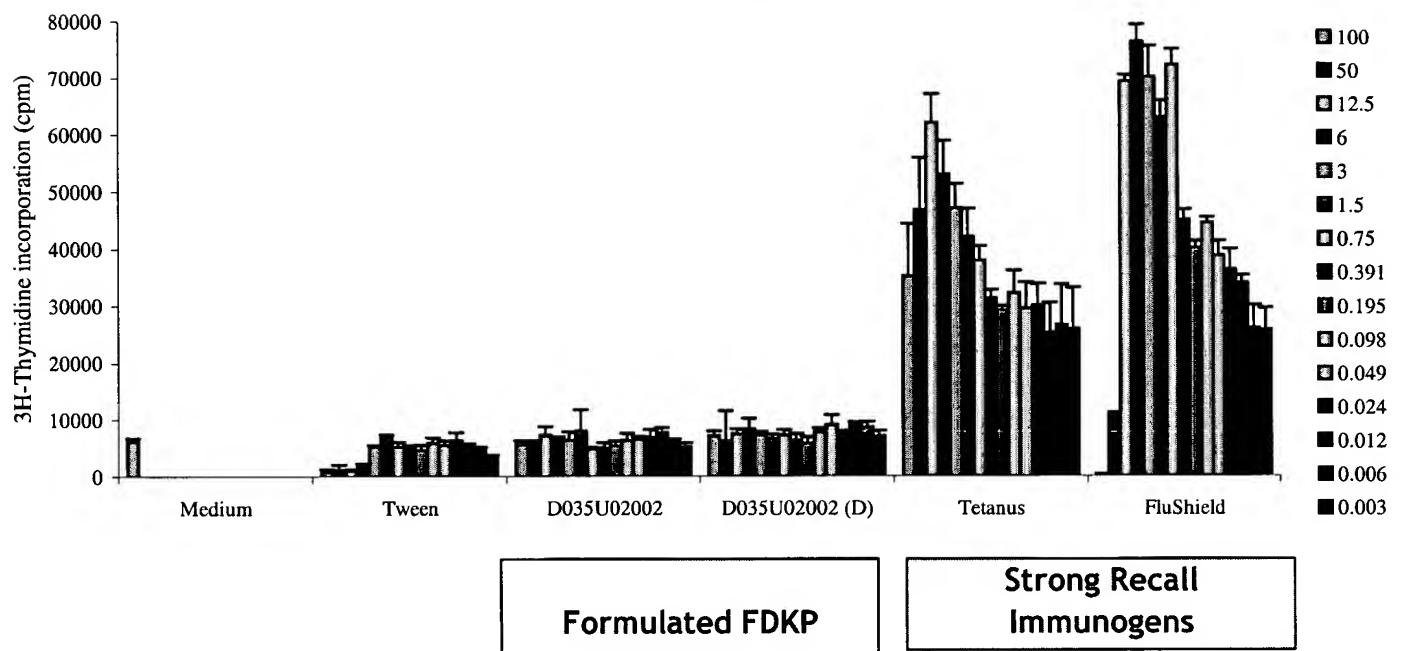

Figure 2b

DKP Technopsheres (various batches) do not stimulate the production of inflammatory cytokines by nHuPBL after 5 days of in vitro incubation
